

This is how you will be marked by the contest judges.

I will be aligning your marking scheme with that of the contest. More specifics will follow.

20% Creativity

20% Impact and persuasiveness

30% Overall presentation of **workplace information**

30% Technical quality

It's very important to make sure you are somehow conveying factual and accurate **workplace information** about workplace safety. Your written work will help you tackle this.
